

# BRITE 16%™

## Powdered 16% Concentrated Organic Bleach

### DESCRIPTION:

**BRITE 16%™** is a concentrated version of our popular **BRITE™**. Concentrated products are more economical to use. They can also be helpful to the environment by reducing packaging content and production energies. **BRITE 16%™** is an organic powdered laundry bleach which is particularly effective in removing the toughest stains from any bleachable whites or colorfast fabrics. Dissolves completely and rinses easily. Ideally suited for use in hotel/motel, nursing homes, hospitals, restaurants, etc.

### HIGHLIGHTS

- This organic formulation contains iron sequestering agents to prevent "yellowing".
- Leaves no residue and does not cake on equipment surfaces.
- Can be added dry to automatic washers, wash wheels or to the supply compartment of automatic feeding equipment.
- Dry powder that remains stable during storage with no loss of chlorine or bleaching power.
- Phosphate free

### DIRECTIONS FOR USE:

*Before using, read Material Safety Data Sheet for this material.*

Sort laundry. For best results, charge washing machine with **BRITE 16%** and water before adding wash.
