

# MAGNUM™

## Butyl Free Degreaser

### DESCRIPTION:

**MAGNUM™** has a special formulation that is designed to effectively clean all washable surfaces quickly and easily without the use of butyl. Its detergent system will quickly loosen and remove soils such as: fats, oil, grease and grime. **MAGNUM™** is a totally synthetic detergent system providing outstanding efficiency in both hot and cold water without leaving a film. **MAGNUM™** also has the unique ability to counteract odors and leave a clean odor free environment. **MAGNUM™** has been authorized by the USDA for use in all federally inspected meat and poultry facilities with an A1 rating.

**MAGNUM™** is very economical to use in many different applications:

- ◆ automatic scrubbers
- ◆ mopping and wall washing
- ◆ pressure cleaning
- ◆ spray bottles

With all of these uses **MAGNUM™** will also save time and effort.

### DIRECTIONS FOR USE:

*Before using, read Material Safety Data Sheet for this material.*
