

NoVOC™

Specialized Low Odor, High Performance Cleaner & Degreaser

DESCRIPTION:

A high active degreasing surfactant combined with an effective builder system resulting in true high performance cleaning on dirt, oil and greases. **NOVOC'S™** low odor formulation makes it the ideal choice for use in public areas that may be sensitive to odors or perfumed fragrances given off by more traditional cleaners. Concentrated and safe to use on all water washable surfaces not harmed by water alone: concrete floors/walls, industrial equipment and machinery, countertops, etc. Safe for use on aluminum. This low foam cleaner can be applied through pressure washers, automatic floor scrubbers, mop buckets and or trigger spray bottles. Various task dilutions make this a truly economical product to use.

This advanced biodegradable formula combines effective cleaning power with environmental safety. **Contains NO:**
