

# OVEN & GRILL™

## Foaming Oven and Grill Cleaner

### DESCRIPTION:

**OVEN & GRILL™** is an institutional strength, extra viscous cleaner, formulated for removing heavy, baked-on deposits of grease and soot. Clings to vertical surfaces for maximum contact time and chemical cleaning action. **OVEN & GRILL™** is perfect for use on stoves, ovens, fryers, exhaust fans, hoods, filters and barbecues.

*Phosphate Free - Non Flammable  
No Chlorinated Solvents*

### DIRECTIONS FOR USE:

*Before using, read Material Safety Data Sheet for this material.*

*Wear protective gloves and goggles when using this product*

For best results, preheat oven or grill to about 150F. Spray on and allow to work for a short time, then wipe clean with a damp cloth or sponge.

**For baked on carbon, use straight:** For heavy build-ups of grease and soot, dilute 1 to 1 with water. For lighter grease conditions, dilute with 4 parts water. For overnight soaking, use up to a 1 to 4 dilution with water.

**For stubborn areas:** a second application may be necessary. For extremely difficult areas, scrub with abrasive hand pad.

**Fryer Cleaning:** Remove grease. Dilute 1:10 with water in Fryer. Boil 10 - 15 minutes. Scrub with brush. Drain and rinse completely.

**IMPORTANT:** After cleaning, rinse surface well with clean, cold water to remove all chemical residue. **NOTE: DO NOT USE ON ALUMINUM.**

### AVAILABLE PACKAGE SIZES

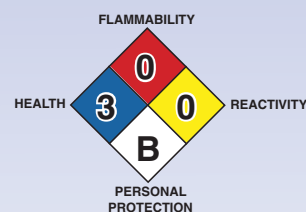

FT 12104      4x1 Gallon Bottles
