

PINE CLEAN™

**Cleaner - Disinfectant
Fungicide - Deodorizer**

DESCRIPTION:

PINE CLEAN™ Disinfectant Cleaner formulated with a quaternary-pine combination, is a broad spectrum bactericide and fungicide designed specifically for nursing homes, hospitals, motels, schools, and other institutions where housekeeping is of prime importance. This formulation provides effective cleaning, deodorizing and disinfection of walls, floors and inanimate surfaces. When used as directed, **PINE CLEAN™** will also deodorize those areas which generally are hard to keep fresh smelling, such as garbage pails, sink tops and bathroom areas including toilet bowls and urinals which are prone to odors caused by the growth of microorganisms. **PINE CLEAN™** may also be used as general cleaner for areas where a fresh pine scent is desirable.
