

SPRING™

Versatile Powdered Detergent

DESCRIPTION:

SPRING™ Versatile Powdered Detergent is actually three products in one. Its excellent for hand washing pots and pans, dishes, glasses, and silverware. **SPRING™** is also well suited for tackling all types of All Surface Cleaning, walls, floors, porcelain and ceramic tile, or any modern floor covering. Its balanced blend of surfactants and builders provides for excellent soil and grease penetration and suspension from all water washable surfaces. **SPRING's** high level foaming agents and surfactants makes it an excellent choice for use in lot washing automobiles, trucks, buses, etc. Its safe on all painted surfaces and aluminum. Rinses freely with water leaving no residue.

DIRECTIONS FOR USE:

Before using, read Material Safety Data Sheet for this material.

Hand Dishwashing: Use 1 ounce per gallon of water. Place the measured amount of **SPRING™** detergent in tank and add a fast stream of warm water. Rinse with water

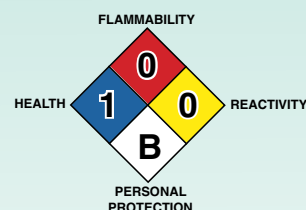

All Surface Cleaning: Use 1 cup per 4 gallons of water for big jobs, 2 cups per 4 gallons of water for extra tough jobs. Place measured amount of **SPRING™** detergent in bucket or pail and add warm water. Rinse with water.

Vehicle Washing: Use 1 ounce per gallon of water. Place the measured amount of **SPRING™** detergent in container and add a fast stream of water. Wash surface with a sponge or wash mit. Rinse with water.
