

TOLERANCE™

Superior Enzyme Powdered Laundry Detergent

DESCRIPTION:

TOLERANCE is our **PREMIER** phosphate free laundry detergent. It is the most concentrated laundry detergent. The formulation combines 2 powerful enzymes that work together to attack starchy and fatty soils, grease, oils, dirt, and other hard to get out stains. It provides moderate alkalinity with exceptional hard water tolerance. Strong but mild with an in-use pH lower than most competitive products on the market. Dissolves completely and rinses easily. Ideally suited for cleaning table linens, aprons, gloves, processing garments in restaurants, service kitchens, food processors, seafood processors, etc. Safe for use on all fabrics.

HIGHLIGHTS

- Phosphate free
- Incorporates 2 enzymes for attacking protein and petroleum based stains
- 2 types of Optical Brighteners for true color retention
- Low sudsing for clog free washing
- Fresh fragrance

DIRECTIONS FOR USE:

Before using, read Material Safety Data Sheet for this material.

Sort laundry. For best results, charge washing machine with the detergent and water before adding wash.
