

# WASH PLUS WAX™

## Concentrated Wash n' Wax

### DESCRIPTION:

**WASH PLUS WAX™** contains a special blend of high quality surfactants and waxes to produce a rich and foamy solution that emulsifies dirt, soils and road film. **WASH PLUS WAX** rinses freely, without leaving streaks. **WASH PLUS WAX™** will not harm the existing polish or wax on your car surface.

### DIRECTIONS FOR USE:

*Before using, read Material Safety Data Sheet for this material.*

#### IMPORTANT:

**Avoid washing the vehicle in the hot sun to avoid water spotting. If car surface is hot then cool prior to washing.**

**WASH PLUS WAX™** is highly concentrated. For normal soils use 1/4 to 1/2 ounce per each gallon of water. It works well in either cold or hot water and is not adversely affected by hard water. If more suds or wax is desired then simply add more **WASH PLUS WAX™** to the water. Apply with a wash mitt or use a clean sponge.

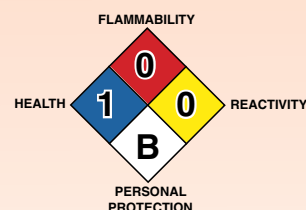

### AVAILABLE PACKAGE SIZES

FT 70204      4x1 Gallon Bottles  
FT 70205      5 Gallon Pail

### TECHNICAL DATA

Color: Yellow  
Fragrance: Lemon  
pH: 8.0 - 10.0  
Viscosity @ 75F: Thin  
Phosphates: None  
Stability @ 75F: 1 Year Minimum  
Solvents: None  
Oils: None
