

WATER & RUST STAIN REMOVER

DESCRIPTION:

WATER & RUST STAIN REMOVER™ is a unique solution to many stain problems on many surfaces. Use **WATER & RUST STAIN REMOVER™** to remove rust, scale and hard water deposits from toilets, urinals, fabrics, laundry, carpets and metals. **WATER & RUST STAIN REMOVER™** attacks rust chemically without attacking the surface.

REMOVES: TOILET RINGS - RUST STAINS - MINERAL DEPOSITS

DIRECTIONS FOR USE:

Before using, read Material Safety Data Sheet for this material.

- ** Read and understand the material safety data sheet. **
 ** Always wear water proof gloves. DO NOT use above eye level. **
 ** Do Not mix with other chemicals **

Toilets and Urinals:

1. Lower water in bowl by forcing water over trap with bowl mop or by pouring a bucket of water quickly into the toilet.
2. Saturate bowl mop and apply WSR to stained areas.
3. Rinse bowl by flushing at least twice.
4. Carefully rinse bowl mop and store mop away from children.

Carpets and Fabrics:

1. Test carpet and fabric in an inconspicuous area for deleterious effects.
2. Apply **WATER AND RUST STAIN REMOVER™** to a sponge or towel and blot on stained area. Apply **WATER AND RUST STAIN REMOVER™** with a light spray for larger areas. After treatment launder or clean carpets in normal manner or rinse thoroughly with water.

Glass: Caution: WSR may etch mirrors, glass, ceramic tile and porcelain. User assumes all risk of damage to glass products.
