

# WATERFREE URINAL CLEANER™

## DESCRIPTION:

**FORTECH® WATERFREE URINAL CLEANER™** is a specialty Ready To Use cleaner designed to meet the requirements for cleaning Waterfree Urinals. Waterfree Urinal technology is becoming more apparent where “green” is considered into the architectural design for public restroom facilities. Waterfree Urinals help conserve water as well as to reduce operating and maintenance costs. They are easier to clean than conventional urinals. Unlike standard toilet bowl cleaners that can damage, this formulation is Phosphate Free, Biodegradable and Odor free while leaving no sticky residue behind. Most importantly it will not harm the internal components of the cartridge system (membrane).

## DIRECTIONS FOR USE:

*Before using, read Material Safety Data Sheet for this material.*

Read and understand current Material Safety Data Sheet before using. Wear appropriate personal protection such as safety glasses and gloves when using.
