

WIPE OUT™

Acid Restroom Cleaner

DESCRIPTION:

FORTECH® WIPE OUT™ is a powerful blend of acids that work together to remove stubborn stains and soils found in restroom and shower room facilities. This fast acting cleaner can be used as an RTU toilet and urinal cleaner or diluted at various dilution ratios for daily shower & restroom surface cleaning. Apply with

a sponge, bowl mop, scrub pad, brush or trigger sprayer. Produces moderate foam while it rinses completely with water and leaves behind a fresh winter mint fragrance. Safe for use on all water washable surfaces not harmed by water alone.

DIRECTIONS FOR USE:

Before using, read Material Safety Data Sheet for this material.

Do not allow to dry on surfaces. Always rinse thoroughly after using.

Ready to Use

Toilet / Urinals

If possible, remove water from the bowl below the water line. Squirt directly on the bowl swab and apply to the inside of the bowl as well as under the rim. Let stand 3-5 minutes and then flush.

Concentrated Restroom Surface Cleaning:

| | |
|--------------------------|---------------------------------|
| LIGHT DUTY | 1:32 (4oz. per gallon of water) |
| MEDIUM DUTY | 1:20 (6oz. per gallon of water) |
| HEAVY DUTY | 1:16 (8oz. per gallon of water) |
| EXTREME CLEANING: | 1:8 (16oz. per gallon of water) |

Sinks / Fixtures / Water Fountains:

Spray on surfaces to be cleaned. Let stand a couple of minutes to loosen soil. Use a white scrub pad if needed for excess soil. Make sure to rinse down all metal / stainless steel fixtures thoroughly with water. Do not let dry on metal surfaces.

Shower Cleaning:

Apply to surfaces with a foam gun and or sprayer. Spray entire area to be cleaned and let stand 3- 5 minutes depending upon soil. Scrub surfaces with a brush or pad to effectively remove hard water deposits, soap scum, body oils and lotions. Rinse completely with water. Squeegee down glass doors and or walls for faster drying.
