Description:
This specially formulated whitener removes tough stains from food processing and cutting surfaces. It contains a powerful mixture of chlorine bleach, caustic soda and detergents to remove blood, grease, fat and protein deposits from cutting boards and other food surfaces.

Directions for Use:
1. Remove all food residue from surface.
2. Rinse surface completely.
3. Pour or spray undiluted FORMULA CBW over surfaces to be whitened.
4. Allow to soak for 5 to 10 minutes, then scrub surface.
5. Rinse completely with clear water.

Safety:
CAUTION: CORROSIVE MATERIAL. May cause severe eye, skin and gastrointestinal irritation or burns. Use in poorly ventilated area may cause respiratory irritation. Avoid contact with eyes, skin and clothing. Use with adequate ventilation.

FIRST AID: EYES & SKIN: Flush with water for 30 minutes. INGESTION: If swallowed, give 2-3 large glasses of water. DO NOT induce vomiting. Seek medical attention. INHALATION: Remove to fresh air and rest. In all cases if symptoms persist, seek medical attention.

TECHNICAL DATA
Form: Liquid
Color: Straw
pH Conc: 13.0 - 13.5
Density: 9.15 lbs. Gallon
Chlorine: 6%
