# CITRA PUNCH™ CLEANER

## Concentrated d-Limonene Based Cleaner & Degreaser

More effective than butyl based degreasers, CITRA PUNCH is formulated with the finest grade d-Limonene and wetting agents to effectively emulsify grease, grime, etc... It is a natural replacement for butyl based products in industrial and institutional heavy duty cleaning. It contains no petroleum solvents and is safe to use through auto-scrubbers, pressure washers and steam cleaners. CITRA PUNCH is biodegradable and phosphate free, it also contains a built-in deodorant and leaves a pleasant scent behind after using.
